

27th September 2020

2020 Nov-Dec Holiday Camps at Gifted & Talented Education

Dear Parents,

The year-end school holiday is always a good time for the children to review challenging concepts, be enriched with new knowledge and have fun! We have lined up a series of exciting and stimulating holiday activities to engage your child to the fullest.

Back by popular demand, we are offering our popular GEP and PSLE courses for those who are gearing up for the rigour of the new school year. We have also put together a P1 *Head Start Camp* specially for students who will be starting their first year of formal school in 2021.

(All prices are not inclusive of 7% GST) **Sign up more weeks for further discount.**

Creative Junior/Senior English Writing Camp (P1&P2/P3 to P5 in 2021)

Learning Objectives:

Junior Writing : Equips lower-primary students with planning and descriptive-writing strategies for school writing examinations and essay competitions. Students will learn to craft interesting story plots and replace mundane vocabulary with creative and descriptive phrases.

Senior Writing : Prepares students for essay competitions and PSLE composition examination. Students will learn how to develop their own unique yet realistic storylines and use advanced writing techniques to craft out descriptive essays.

Fees : \$480 per camp ; **Early Bird** : \$450 per camp (All prices are not inclusive of 7% GST)

Junior Olympiad Math and Science Camp (P1/2 in 2021)

Learning Objectives:

Develops critical thinking skills to prepare children for future Olympiad math and science competitions and high ability tests. The camp focuses on problem-solving skills and includes a strong combination of both IQ Math and Science components to engage children in a holistic learning environment.

Fees : \$480 per camp ; **Early Bird** : \$450 per camp (All prices are not inclusive of 7% GST)

Head Start – English & Math Camp (P1 in 2021)

Learning Objectives:

Equips students with exceptional English and Mathematics foundation skillsets to excel in the first year of formal school. This camp focuses on the understanding of various comprehension strategies, application of grammatical rules and exposure to a good set of vocabulary through current affairs. In addition, this camp will also guide students through techniques to solve challenging word problems and expose students to key problem-solving tools like model drawing and “guess and check” method.

Fees : \$480 per camp ; **Early Bird** : \$450 per camp (All prices are not inclusive of 7% GST)

GEP- Math & GA, Eng & GA Camp (P3 in 2021)

Learning Objectives:

Develops critical thinking skills and prepare children for P3 GEP Math, English and General Ability tests. The camp will cover key mathematical reasoning concepts such as classification skills, sequencing, spatial reasoning & abstract visual reasoning. Students will hone their reading skills in challenging comprehension texts and cloze passages. This intensive camp also aims to expose students to a good range of Math & English general ability questions.

Fees : \$960 per camp ; **Early Bird** : \$900 per camp (All prices are not inclusive of 7% GST)

NMOS Camp (P4/P5 in 2021)

Learning Objective:

Prepares students for NMOS Competition (Math competition organized by NUS High School)

Fees : \$600 per camp ; **Early Bird** : \$570 per camp (All prices are not inclusive of 7% GST)

SMOPS Camp (P6 in 2021)

Learning Objective:

Prepares students for SMOPS Competition (Math competition organised by Hwa Chong Institution)

Fees : \$600 per camp ; **Early Bird** : \$570 per camp (All prices are not inclusive of 7% GST)

PSLE Math Camp (P6 in 2021)

Learning Objectives:

Prepares students for optimal performance in the PSLE Math paper. The camp will expose students to complex Math components to develop their critical thinking skills and students will be equipped with strategies to tackle more challenging questions.

Fees : \$560 per camp ; **Early Bird** : \$520 per camp (All prices are not inclusive of 7% GST)

PSLE English & Oral Camp (P6 in 2021)

Learning Objectives:

This intensive camp focuses on preparing students for the PSLE English paper 2 based on common mistakes made in the grammar, vocabulary and editing sections. This camp will also equip students with strategies to tackle the different kinds of questions in the open-ended comprehension section.

This camp will also prepare students for stimulus-based conversation and oral reading based on PSLE English Oral Examination format. Students will learn powerful techniques to develop valid opinions and deliver accurate responses to the examiner.

Fees : \$560 per camp ; **Early Bird** : \$520 per camp (All prices are not inclusive of 7% GST)

DSA Interview Camp (P6 in 2021)

Learning Objectives:

Prepares students for the Direct School Admission (DSA) Interviews. They will be exposed to scenarios that they may encounter during the interview sessions. This will instill confidence in them to face any challenging interview questions.

Overview of topics:

- Crafting the answers to routine and non-routine interview questions (a list of questions will be provided)
- How to create impression and impact ○ Crisis management during DSA Interview ○ Interview techniques
- Rehearsal, Rehearsal, and Rehearsal (simulated panel interviews)

Fees : \$600 per camp ; **Early Bird** : \$570 per camp (All prices are not inclusive of 7% GST)

Classroom to Boardroom Espresso Junior Camp – Conflict Resolution (P1/P2 2021)

Learning Objectives:

A good leader can identify potential conflicts and resolve them creatively and amicably. This camp equips our young learner with practical strategies to handle difficult situations and skills to resolve conflicts.

- Identify feelings and needs behind conflicts
- Generate creative solutions for resolving conflicts cooperatively
- Master active listening skills (eg. foundational paraphrasing and summarizing skills)
- Be able to de-escalate situations
- Be more confident and assertive
- Be able to demonstrate leadership qualities

Fees : \$480 per camp ; **Early Bird** : \$450 per camp (All prices are not inclusive of 7% GST)

Classroom to Boardroom Espresso Senior Camp – Conversation and Interview Skills (P3 to P5 2021)

Learning Objectives:

This highly-interactive communication skill camp equips our learners with impactful conversational skills. These exceptional interview skills will empower them to be effective leaders.

- Identify good and poor listening skills
- Master active listening skills (Paraphrasing, summarizing, clarifying, encouraging, listening for feelings)
- Understanding empathy, reframing and de-escalation
- Handle difficult conversations and practice positive confrontational techniques
- Understand types of questioning and practice effective questioning

Fees : \$480 per camp ; **Early Bird** : \$450 per camp (All prices are not inclusive of 7% GST)

DSA Science Camp (P6 in 2021)

Learning Objectives:

Students will be exposed to DSA science topics such as periodic table, astrophysics, atom structure, gene technology etc ranging from biology, physics to chemistry. This camp will help students get ready for science competitions and DSA science subject test.

Fees : \$560 per camp ; **Early Bird** : \$520 per camp (All prices are not inclusive of 7% GST)
